## Some Testimonials from our Students

*"I first learned about Steve and Lisa's Feng Shui certification course through the Board of Realtors course. I was so intrigued that I signed up for the certification course and am so glad that I did. Lisa and Steve are not only very knowledgeable in Feng Shui, they also truly care about their students. They go above and beyond and I'm so happy I signed up for the course. I look forward to a successful career in Feng Shui and I know it will be an added bonus to my real estate clientele"*

Kristine Zelazo

*"The energy Lisa and Steve bring into the teachings is amazing, they have a graceful way of communicating and going over the lessons, it makes it very easy to understand and to flow with the knowledge. What attracted me to the school was the experience of both Steve and Lisa, the fact that they worked with Real Estate in general. Since the first week I started with the Feng Shui lessons, I experienced change in my home almost immediately like magic, I couldn't believe it. Towards the end of my certification, I felt anything could happen and there was no limit at all, I feel the goals that I set with the help of Lisa and Steve have created a shift in my confidence and my motivation in achieving unlimited success moving forward. I recommend Intrinsic School of Feng Shui to anyone that's looking to take their life to a much higher level. Love you Lisa and Steve. Thank you for all your support and love"*
